

RECIPE OF THE MONTH

RECIPE FOR: PB SQUARES

INGREDIENTS:

1 ½ cup graham cracker crumbs

1 lb. powdered sugar

1 ½ cup smooth peanut butter

1 stick butter (melted)

1 pkg. (12oz) semi-sweet chocolate chips

1 cup chopped peanuts

DIRECTIONS:

1. Combine graham cracker crumbs, sugar, and peanut butter in large bowl. Mix well until no powdered sugar is visible.
2. Blend in melted butter and press mixture evenly and firmly into a 9 x 13 glass dish (ungreased)
3. Melt chocolate chips and spread evenly over crust mixture.
4. Sprinkle chopped peanuts over the chocolate layer and chill in refrigerator for 25-30 minutes until just set.
5. Cut into bars and serve.

NOTES:

Don't leave in refrigerator too long. The chocolate gets too hard and makes it difficult to cut into bars.
